From the Christian Statesman. "THE EGOL HATH SAID IN HIS HEART THERE IS

"No God! No God!" The simplest flower That on the wild is found, Shrinks as it drinks its oup of dow, And trembles at the sound: "No God !" the astonished Echo cries From out the cavern hoar, And every wandering bird that files Reproves the Atheist-lore. The solomn forest lifts its head, The Almighty to proclaim,

The brooklet, on its crystal urn, Doth leap to give his name. High swells the deep and vengeful sea, Along his billowy track, And red Vesuvius opes his mouth To harl the falsedood back. The palm-tree, with its princely crest,

The cocoa's lenfy shade, The bread-fruit, bending to its lord, In you fair island glade; The winged seeds, that by the winds, The roving sparrows feed, The melon, on the desert sands, Confute the scorner's creed. "No God!" With indignation high

The fervent Sun is stirred, And the pale Moon turns paler still, At such an impious word; And from their burning thrones, the Stars Look down with angry eye, That thus a worm of dust should mock

A t the treested that the County Commissioners will meet at Thomas Braggs tavern in Letter B. on Friday the seventh day of December next at 10 o'clock A. M., when they will proceed to view the route set forth in the petition; and immediately after such view at some convenient place in the vicinity, will give a hearing to the parties and their witnesses, by causing attested copies of said Petition and of this Order of Notice thereou to be served on the County Attorney of said county of Oxford and on the County Attorney of said county of Oxford and commerce—forming a complete Mercantile Arithmetic. by posting up like copies in three public places in each public States. By Benjamin Greenlen, A. M. Preceptor by pasting up like copies in three public places in each of the townships through which said road passes, and by publishing the same three weeks successively in the Oxford Democrat, printed at Paris, and in the Eastern Argus, printed at Portland, the first of said publications and each of the other notices to be made, served and posted, at least, thirty days before the said time of meetof said Petition should not be granted.

Attest—THOM.4S CLARK, Clerk

A true copy of said perition and order thereon. Attest-THOMAS CLARK, Clerk.

To the Hon. County Commissioners at their session next to be holden at Paris, in and for the County of Oxford, on the

last Tuesday of October, A. D. 1838. the new highway established on the petition of Otis C. Bolster, & others, and recorded with the Records of your Hong. Court, June Term, 1828, leading from Snow's Falls, in Paris, towards Stovell's mills in said Paris, is not located in the best route—that in the opinion of your petitioners, a route more convenient for the public, less expensive to the county, so far as it regards damages, and far less expensive to the county, so far as it regards damages, and far less expensive to the town of Paris so far as it relates to the making and keeping in repair, said road, may be found on the eastern side of the Little Androscoggin River. They therefore pray, that, after due proceedings at some convenient place above Snow's Falls, on the Lastern side of the River aforesaid, near where the road is located and convenient place above Snow's Falls, on the Lastern side of the River aforesaid, near where the road is located and convenient place above Snow's Falls, on the castern and of the River of the Petition of said Bolster and others, as a fact into that under my own case.

Newburyport, Mass., March 5, 1836.

From the Preceptor of Hampton Falls (N. H.) Academy, and manual pleased with it; and upon thorough examination and comparison with others, I think it not only superior to any of them, but will answer us a subseme point in the road as now travelled near Cyprian Stevens. TITE petition of the subscribers respectfully represents, that near I hummond's mills, thence in the must convenient route to some point in the road as now travelled near Cyprian Stevens's thence in the most convenient route, on the road as now travelled or otherwise, to the road leading directly from, or near, the Post Office in South Paris, to Portland, so as to intersect said Portland road above or below the house now accepted by Solomon Cloutman, as may be thought, by the Commissioners, most for the public convenience—all in the town of Paris. They also pray that the road located on the petition of said Bolster and others as aforesaid, on the western side of said River, in

Ball of Victory is rolling over the length and breadth of the land. At a meeting of the Dember of the heart o

enid Stone has to redeem the equity of redemption in a certain farm situate in the easterly part of Waterford a-foresaid; being the same farm that the said Stone con-veyed to William C. Whitney, Esq., by Mortgage Deed, duted the thirteenth day of June A. D. 1832, to secure the payment of seven hundred and forty-seven dollars, payable in two years from the date of said Deed, with in

ns spon, as convenient and make such alterations as in your judgment you may think necessary and make the whole route through Denmark a conny rough Noral teration of said road in the town to Fryelmig is payed for. As in daty bound will ever pray,

AMOS TOOR, and 4 5thers.

A STATE OF MAINES

Oxforn, ss;

will proceed to view the route set forth in the petition; and immediately after such view, at some convenient place in the vicinity, will give a hearing to the parties and their witnesses, by causing attested copies of said Petition and of this Order of Notice thereon to be served on the clerk of said town of Denmark, and on the court

and that so much of the Lombard Road, so called, in Township No. 5, in the first Range, as will be rendered unnecessary by the location of this route, be discontinued, and as in duty bound will ever pray.

A PROCLAMATION.

FOR A DAY OF

PUBLIC PRAISE AND THANKSGIVING. of the earth, to unite in the observance of a day of Thanksgiv ing and praise to the Author of all good and the Father of all

mercies,

I do, therefore with the advice and consent of the Council appoint Thursday, the Twenty-ninth Day of November & Kent, to be observed as a day of public Praise and Thanksgiving; and the people of this State are requested to assemble on that day, in their respective places of public worship, and to unite in religious exercises appropriate to the oc-

May it be a day consecrated to the high and holy purpose of devout gratitude to Almighty God, for his mercies and his blessings unmerited and yet unmunbered. Let us thank God, that our civil and religious liberty is continued to us; that our rights, have been protected, and that peace the first desire and greatest blessing of civilized and christian nations, has been unmuneratedly. untaterruptedly enjoyed by our State; that wasting and destroying pestilence has not visited us, and that health and strength have been so remarkably preserved to our people; that the earth has been clothed in beauty and imagnificence for the gratification as well as the comfort of man, that the seed, committed to it in confidence and hope, watered and quickened by the rain and dews and sunshine of heaven, has yielded a plenti-

Let us thank God for the means of education and intellectual sorts of people mean enough to do u. I have the improvement, which reache even the humblest citizen of our republic; for all the moral influences which are in operation to going to bed, and I hate getting up. My conmy son, Cyprian Bowker Jr., all claims to his service and influences which are in operation to going to bed, and I hate getting up. My conmy son, Cyprian Bowker Jr., all claims to his service and influences to purify, and to clevate the whole community and direct is very eccentric and singular. I have the or earnings until he shall arrive at mature age—and shall not be responsible for his support.

CYPRIAN BOWKER, to our moral and religious interests.

Let us thank God for the means of education and intellectual

EDWARD KENT. SAMUEL P. BENSON, Secretary of State.

that sound and sterling good sense, with which and perpendicular, strides fiercely on, and gets whatever comes from his hand or his head or nothing but scratches and holes forn in his trouhis heart, so abundantly abounds. If our limits sers." would permit, we would publish the whole of it, but must content ourselves with making the following extract.

where Mr. Punctuality hangs out his sign : For before the Union Ag. Society. he has business enough to do for those who have learned his value, and will promptly pay for his APPLES FOR Hous. As the apples usually promises-has inducted them into the same procrastinating habits which so injured their master. The Banker Hill Aurora remarks that, in a ter. Like the youth, who, living within the inslew years a guide will be wanted to point out the September, a Peter of the Banker in Paris, on the 17th of September, a Peter of the battlefield, in Charlestwon, and that persons of his indulgence with horror at first—but in will be told that the heat of the battle was Apply to SETH B. HILBORN. horror—until, when the lad reaches manbood very likely he sees nothing objectionable in indulging, and probably not only becomes a drunkard himself but plunges into other vices incidental to that habit—so will that example of the master, in nine cases in ten, not only undermine professonal integrity, but it will olso affect the moral man: And Punctuality, in business will not be more neglected than will Punctuality in the duties of the citizen, the husband, the father. If it were my son, I would rather, at the content of the sees nothing a case when is so thin he cases in ten, not only undermine professonal integrity, but it will olso affect the moral man: And Punctuality in the duties of the citizen, the husband, the father of the case, the sees nothing a barn-door! and that Warren fell somewhere in the vicinity of that gutter!

Easter Cigars.—The editor of the Eastern Argus in describing a cigar which a loafer was puffling in the street, says, "from the odour, we are inclined to believe is was made of dried dog skin, hen feathers, fish scales, pennyroyal, and the duties of the citizen, the husband, the father india rubber."

ADMINISTRATRIX'S SALE.

**NOTICE is hereby given, that, by virtue of a Litical Court of Probate, within and for the County of Oxford, there will be sold at Public Vendue, on the premises, in Waterford, on Toesday, the 20th day of November next, at 10 oxfork, in the forther county of Oxford, there will be sold at Public Vendue, on the premises, in Waterford, decreased, as will produce the sum of three hundred and tru dollars. Said real estate consists of the right to redeem to No. 10 in the 6th Range of lots in said Waterford, henry the homestead of the wildow's dower, cantaining about 100 acres of land, exclusive of the Dower, and about 20 acres wide rim-provement, having a large and valuable wood lat. end of seven years' apprenticeship, he should | WA man in the West says he is so thin he leave the workshop totally ignorant of the trade can't see his own shadow, and that Calvin Edfor which he entered, than that he should come son was an Alderman compared with him. From an empablished work of Dr. Brandreth. TWESTY-FIVE FACTS.

Let -All animal bodies originate from a fluid. 21.- By the rireulation of a fluid, animal bodies are former increased and supported.

3d.—This life giving circulating fluid is the BLOOD.

4th —An orthogy man contains about three and a half gal 5th .- About two conces of blood are propelled by the bear

t each contraction. 6th.—The heart contracts seventy times per minute, there fore all the blood in the body passes through the heart in three

7th .- The body is constantly subject to two distinct process ty, viz:-decomposition and reorganization.

Sth --Reorganization is affected by the blood, which flowing

from the heart through the interies, supplies the waste of the system, by restoring decayed parts.

9th.—The blood in its return to the heart through the veins, brings with it those particles which have become deleterious through decomposition.

10th.—The mere fluid of these deleterious particles pass from

the body through the skin in the shape of perspiration; but the grosser humors are discharged through exerctories into the

owels.

11th A want of proper action in these natural drains is the primary cause of all disease.

12th.—The natural outlets being closed, the decayed partitles or mothid humors must either be retained in the blood, or said down somewhere within the body.

13th.—The particular kind of disease which shall cause de-

pends altogether on the part wherein the morbid humors may finally be folged. finally be lodged.

14th.—The same humor, which when lodged in the liver, eauses bilious complaints, would, if lodged in the lungs, cause consumption; or if in the membranes and muscles, themas-

15th -All those derangements of the system, which receive the name of separate diseases, are, in fact, only so many difer ent modification of one effect resulting from one cause.

16.—The cause IS THE IMPURITY OF THE

BLOOD.

17th.—All effects cease when the cause is removed; therefore purify the blood, and di case AIUST VANISH.

18th.—There is no effectual method of purifying the blood, except by the use of a regetable physic.

19th.—This regetable physic must be of such a mature that it may be taken for any length of time without injury to the discretize or wars.
